McKINLEY FINANCIAL SERVICES, INC.
Junior Achievement - JA World, Fort Lauderdale, Florida

Ft. Lauderdale, Florida

McKinley Financial Services has secured the Commercial Property Insurance for the new JA World facility, according to James Drake, Executive Vice President, Property and Casualty Division.

The world's largest Junior Achievement educational center – the 59,500-square-foot JA World's Huizenga Center at Broward College in Coconut Creek, Florida - is scheduled to open in the near future. The new center will provide business, economic, and consumer educational programs for more than 50,000 elementary and middle school students each year.

JA World's Huizenga Center will be home to two new programs. (1) JA BizTown will provide a learning environment in which students operate and patronize real businesses, learning to meet goals of satisfying customers, paying off business loans and realizing a profit at the end of the business day. (2) JA Finance Park will enable eighth graders to learn financial responsibility by role-playing a randomly assigned life of an adult, needing to budget for the family's wants and needs; study financial decisions to be made; consider available options and construct a personal budget.

About Junior Achievement

Junior Achievement of South Florida offers programs for grades K-12, with age-appropriate curricula designed to teach elementary students about their roles as individuals, workers, and consumers and to prepare middle grade and high school students for key economic and workforce issues they will face. In addition to bringing the free enterprise system to life in the classroom, Junior Achievement programs teach young people the importance of staying in school.
